

The Making of a Monster ?

The Young Adolph.

Experiences in WW1

Life in post-war in Germany.

Emerging Political Views.

You Decide.

His abusive father died when he was 12.

Awarded medals for bravery.

He saw Jews doing well when he was homeless.

Versailles must be destroyed.

Insert Emotion
Bitterness:
Betrayal:
Nationalism:
Fear:
Other?

He was not a very good student at school.

Survived an explosion that killed many around him.

Witnessed economic collapse during hyperinflation.

Believed a strong Right Wing government could save Germany.

His most significant experience?

Mother died when he was 18.

Experienced Ebert's signing of the Armistice.

Saw communist revolutions in Germany.

Ebert, Weimar and the SDP were traitors.

Hitler's driving emotion?

Refused entry into Art College. (Blamed Jews?)

Experienced Ebert's signing of Versailles.

Saw the Freikorps destroy the Spartacists

Jews and Communists were a threat to Germany.

Do you feel ANY sympathy for Hitler?
None
